

# 14<sup>th</sup> Annual KCNG Narrow Gauge Meet

**An invitation to all Narrow Gaugers (and all other model railroaders, too!),**

The Kansas City Area Narrow Gaugers (KCNG) will host their **14<sup>th</sup> Annual Narrow Gauge Meet on Saturday, June 24, 2017.**

The meet will be held at a different location this year...not far from the previous location. This year we will be at the Lackman Branch of the Johnson County Library at 15345 W 87<sup>th</sup> Street Pkwy, Lenexa, Kansas. To get there, take the 87<sup>th</sup> Street exit west from I-35 to Antioch (about 2 ½ miles), go west past Lackman Road and then turn left at Allman Road. This will take you into the library parking lot.

The fun will begin at 9:00am with registration and socializing. We will have clinics in the morning. A lunch will be provided near noon. A Show-and-Tell session will be held after lunch. Please bring something to display and share with the group. We will then have model railroad layouts available to visit during the afternoon. Meet activities will wind down at about 5:00 pm.

Planned layouts will include:

- **Ray Brown: HOn3 Turn of the Century D&RG-** Lots of new scenery and structures.
- **Ron Morse (MMR): HO/HOn30 Forks Creek & Central RR-** Plus many excellent dioramas.
- **Others TBD**

Planned clinics will include:

- **Lind Wickersham: Building & Finishing Structures.**
- **Others?**
- **Possibly a round of Mini-Clinics**

Cost: \$10.00 (includes morning donuts/coffee and lunch).

**Advance registrations are required by June 20, 2017**, so that we can plan for lunch. Mail registration with your check to:
