From THE SUPER'S DESK....

Kerry Lindenbaum,

Hello everyone!

Well, we had a full meeting. We had nineteen or twenty different models and panorama in our June challenge. Most were very good and judging between them was very difficult. We also had the room as full as we could get it without adding additional space to accommodate everyone in attendance. It was so great to see such a large crowd there. We even had one new member and several who haven't been to a meeting in some time. I hope we can continue to attract members who are coming. Let us hope to fill the room each and every meeting night.

Last Tuesday Chuck Heying was awarded four AP awards; passenger car, work car, box car and caboose. Mike Tomli was awarded his certificate for scenery. This is very good work from two of our members. It is good to see our group succeed in the AP program. There were other awards to distribute but the members were not present to receive them. Better luck during our next meeting, let us hope we can award these individuals their awards then.

Let all of us who have not started the AP program begin to work toward our individual MMR certificates. I personally am working on volunteer and I am trying to get enough of my layout built for my golden spike and then the other certificates I need to receive my MMR someday!

While we are on the topic of AP certificates, now seems like a good time to bring up Brad Morneau's AP program he is having at his home.

Brad wasn't at our last meeting so I do not know if he is still having an AP meeting at his house this month or not. He usually has his meeting right after the monthly meeting, so maybe the program will start back up in July.

I now have only one clinic left to get for this year. I was reminded that although the December meeting is reserved for the holiday get together, we usually try to get a travel log type of clinic for that night. So if anyone is interested in doing a travel log, i.e. rail trips taken, or railroad museums visited or railroads at theme parks you visited and would like to tell us about it, please contact me!

That is the last clinic I need to fill this year's clinic agenda. I would like to offer anyone who wants to think ahead to next year to please contact me with a clinic you might like to do. I have one for January and would like one more for that month.

The July meeting will have two clinics presented. The first is on how to scratch build railroad trestles by Pete Bellos. The second clinic will be on the history and building of outhouses. It will consist of little known details given in a comic presentation by Warren Weston. During the July meeting we will also be getting the list of HO, N and other laser cut models for Miles' September clinic. Remember the September clinic will be a two hour hands on clinic. I hope you are looking forward to this one as much as I am.

Now for my report on the upcoming August train show and regional meet. I am also the layout coordinator. I have had one layout from the afternoon and now the evening tour drop out. Now we are down to eleven layouts on tour this year. We had 9 last year so we still have two more than last year and we have some new layouts that have not been on tour for awhile.

This year the layout descriptions are more involved so I have split the layout descriptions from the tour directions and maps. The tour directions and maps will be printed up and distributed to everyone who wants one and plans on taking the tour. The descriptions will be printed and posted to a bulletin board. Those wanting information on the layouts prior to the tour will be able to read the layout descriptions before they leave the train show. They can mark the layouts they want to visit and any information important to them on their copy of the tour map.

Now for one additional item, I am going to begin quarterly meetings of the officers of our division to discuss where we believe we are and where we want to go. The first meeting will occur at my house at the end of August. I will keep the membership posted on what we accomplish.

See you at the July meeting, until then happy railroading!

Kerry Lindenbaum,

Turkey Creek Superintendent

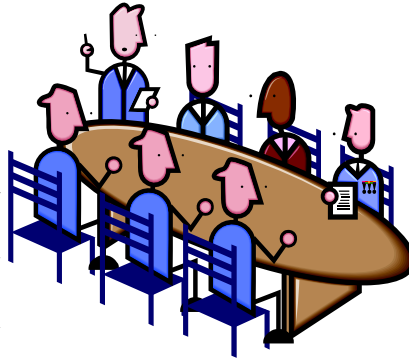

Minutes from Turkey Creek Meeting

June 26, 2007

Kerry Lindenbaum Superintendent called the meeting to order shortly after 7pm.

He asked if there were any visitors. There was one visitor: Clarence Matthews from Lee's Summit. Clarence has just moved into the area and models in HO. Kerry asked if there were any Members present who had not been at the meeting for a while. They were: Keith Diehl, Bill Craig, Peter Ellis, Bill Humenczuk, and Charles Stapleton.

He covered the minutes from the last meeting. Shelly Levy received two AP Certificates and Brad Morneau received one certificate. Shelly Levy presented clinics on control panels and gizmos he has made.

Kerry asked if there were any awards. Joe Robertson, MMR said he had a couple. He asked Charles Heying to come forward and receive 4 merit awards on cars. They were passenger car, work car, box car, and caboose. Mike Tomei was not present but had completed his scenery for his AP Certificate.

Kerry asked Louis to report on the plans for the August meet. Louis said there are currently sixty-two pre-registrations, plus one additional which was received at the meeting. Over half of the tables are paid and the rest have until the July 21st to pay. There is a waiting list of about ten tables. The clinics are all scheduled and Boy Scout Troop 92 will be in charge of concessions. The Layout Tour has eleven layouts with six starting at 4pm and five starting at 6pm. The July 24th meeting will be the cut off date for pre-registration.

The meeting was turned over to Larry Alfred MMR for the Model Challenge which was what could be built in four square feet. There were eighteen entries. Pictures and articles about the four square feet model will be in this issue of the Lightning Slinger.

There were thirty-nine in attendance at the meeting.

Meeting was adjourned
Respectfully
Louis Seibel Clerk.

Next Meeting July 24th at 7pm at the Johnson County Northeast Offices

The 2007 Turkey Creek Division Modeling Challenge

by Larry Alfred, MMR Photos by Jim Flynn

The 4th Annual Modeling Challenge was, in my estimation, a resounding success! There were 18 entries from 15 TC members, with 3 bringing two entries. We had four different scales – 1/2", O, HO, and N. Both standard gauge and narrow gauge scenes were represented, as well as a variety of eras, from the civil war period to modern times. Total attendance at the meeting was up a little, with nearly 40 people there to see the latest modeling endeavors of those members willing to accept the "Challenge", and thereby avoiding the wrath of Ron "The Hammer" Morse. It was a fun evening!

Recognition should be given to those that put in the effort to participate, and they are listed below, in no particular order.

Fred Hulen	HO	Small Mine Site
Ron Morse, MMR	HO	Little Ella Mine
Larry Alfred, MMR	On3	SJM&P Co. Locomotive Oiling Facility

Joe Robertson, MMR	HO	Cliquot Depot
Marty Vaughn , MMR	N	POI
Marty Vaughn , MMR	N	Lerner Junction
Louis Seibel	HO	Chicken Coop
Louis Seibel	HO	1'x4' Freelance Scene
Doug Taylor, MMR	O	Moving the SS Mt.
Washington		
Larry Diehl	HO	Freelance 1940s Saturday Morning in Town
Jack Ferris	On3	Livestock Loading Chute
Miles Hale, MMR	O	Overholtzer Packing Company
Miles Hale, MMR	O	Sunshine Bakery
Fran Hale	N	Layout Diorama Made from Leftovers
Gary Davidson	On3	Monero Coaling Bin
Dean Windsor , MMR		1/2" Long's Gas
Kerry Lindenbaum	N	Oil Storage Tank
Bill Craig	HO	Airslide Covered Hopper on 4 Square Feet

I have always believed that the very heart of the model railroading hobby is the act of actually building railroad models and model railroads. Couple that belief with a desire to get greater participation by members in division-level activities and the result is the Annual Turkey Creek

Division Modeling Challenge. All entries showed significant quality and creativity. As in past years, we have tried to downplay the idea that this would be a competition in order to encourage everyone to participate. Nevertheless, the result was that we had a popular vote and awarded small plaques for the first three places and framed certificates for two honorable mentions, plus most creative entry and most whimsical entry certificates.

During the months preceding the event, I asked Ron Morse, one of our Division members, to send out a series

of emails to all who have indicated an interest in the challenge, in an attempt to keep enthusiasm at a high level. In doing this, Ron has become fondly known as "The Hammer."

As I noted above, all entries were great, and I really appreciate the willingness to participate! The results of the

Region Election

Ballots were mailed in Early June for the upcoming election. Larry Alfred is running for president and I am running for Vice President of the Mid-continent Region. Most of the members of Turkey Creek Division know me and I am strong advocate of the NMRA and I would like to serve as your Vice President. I'm somewhat new to the Mid-Continent Region and members in other division may not know me so I'm using the Lightning Slinger to ask for your vote. I urge you to take a couple of minutes to review the ballot when it arrives and vote, no matter who you select, please vote.

Thank you,
Paul Richardson, MMR

THE SWITCHING LIST

The Switching List contains all known Mid-Continent Region, NMRA, train shows and Division meetings. It also lists all known club shows and swap meets in the Mid-Continent Region (IA, IL, MO, AR, NE, KS, OK). To list your event, send it to: garyonho@cox.net, or Gary Hemmingway, 3201 SW Stone Ave., Topeka, KS 66614. To subscribe, or unsubscribe, to The Switching List send an email to the above link. Look for us on the MCoR web site: www.mcor-nmra.org.

KANSAS CENTRAL DIVISION meets the 1st Saturday of even numbered months at various locations around the division area. This is a new schedule for 2007. BOD meetings are usually at noon and general meetings are at 1 p.m. For the full schedule check the MCoR website or email Gary Hemmingway: garyonho@cox.net. The next meeting is:

June 2, 2007: McPherson Museum, 1111 E. Kansas Ave., McPherson, KS. The McPherson Museum has a model railroad display at 1111 E. Kansas Ave. (It's the old Cedars Rest Home). Directions are as follows: Take Hwy 56 to the west from I-135, pass fast food restaurants on the right and Walmart on the left. Go about 1 mile from I-135, across bridge to 1111 E. Kansas Ave. It's on the north side of the street with a RR cross bucks in front. Should also have a sign out front stating "Train Display". It's very easy to find. John Snell will present a clinic "Growing Grass for Your Layout." A tour of the museum is available.

GATEWAY DIV. (ST. LOUIS, MO) meets 3rd Monday each month, 7:00 P.M. Odd numbered months: Trinity Lutheran Church, 14088 Clayton Road at Woods Mill Rd (Hwy 141), Ballwin, MO; Even numbered months: VFH Hall, O'Fallon, IL <http://www.gatewaynmra.org/division.htm>

TURKEY CREEK DIV. (KANSAS CITY, MO & KS) monthly meetings 4th Tuesday, 7:00 P.M. Johnson County Courthouse, NE Branch, 6000 Lamar, Shawnee Mission, KS (DMV Building on SW corner of Lamar and Mastin)
WESTERN HERITAGE DIVISION (OMAHA, NE / COUNCIL BLUFFS, IA) meets second Saturday (except June and December) at noon. Sump Memorial Library, corner of Washington and Second Streets in Papillion (across from Runza). Visit www.whdnmra.org for more info and a map.

EASTERN IOWA DIVISION

The Eastern Iowa Division is having a Division meeting Saturday, May 5 at 9:00 AM. The Hawkeye Model Railroad Club is hosting the meeting at its club location of 860 Quarry Road, Coralville, IA. Info Allen Merta, Superintendent, (319) 393-2990, or www.mcor-nmra.org/Divisions/EasternIowa/index.html

KATE SHELLEY DIVISION meets monthly on the fourth Thursday of each month 7:00 p.m. at the St. Paul Lutheran Church, 15th & Wilson, Ames, IA.

INDIAN NATIONS DIVISION meets at the New Hardesty Library at 8316 E. 93rd. St. (Just east of Memorial) in Tulsa, OK. The time is from 9:30am to 12:30pm. The dates and themes for each meeting in 2007 are: Jan 20 - What did Santa Bring? March 31 - Locomotives, May 19 - Rolling Stock, Sept. 15 - Photography, Nov. 17 - Structures/ Dioramas. Each meeting we have various presentations from clinics, to slide shows. After the meetings we have a layout tour at one of the members layouts. Contact Dave Salamon at drs_rr@yahoo.com for further information.

PLATTE VALLEY DIV. (HASTINGS, GRAND ISLAND, KEARNEY, NE) meets 2nd Tuesday of each month at 7:00 p.m. in members homes on a rotating basis. Info: John O'Neill, Div. Dir., 308-384-5011 or jponeill@computerconcepts.com. Next meeting at John's house: 4112 W. Faidley Dr., Grand Island, NE 68803. Two clinics by Jim Wells: "Coal and Coal Mines" & "HO Scale Coal Loads"

CLAREMORE & SOUTHERN RR OPERATING SESSION, 2nd Friday each month starting at 7:00PM and finishing by 10:00PM, 9372 E.

Clover Creek Drive, Claremore, OK 74017-1487, Info: George F Maulsby, 918-341-9446 or www.csrailroad.com. Please RSVP approx. a week before each scheduled operations session. Thanks. George F Maulsby, Claremore & Southern RR www.csrailroad.com 918-341-9446

WICHITA TOY TRAIN CLUB TRAIN MANIA, each Saturday 12-5 P.M. below Blockbuster at Twin Lakes Shopping Center, 21st & Amidon, Wichita, KS 316-838-5103 or www.members.cox.net/wttc
844 WILL MOVE AGAIN THIS SUMMER AND FALL: Union Pacific's 844 steam locomotive will be making trips this year:

Corn Belt Rocket, June 23-July 5, displayed in North Platte, Fremont, and Fairbury, Nebraska; Boone, Iowa; and, Trenton and Kansas City, Missouri.

Denver Post Cheyenne Frontier Days, displayed in Denver, Colorado.

Colorado State Fair Mountaineer, August 22-26, displayed in Denver.

Oklahoma Centennial Sooner Rocket, September 3-23, displayed in Herington, Wichita, and Topeka, Kansas; and, Enid, El Reno, and Duncan, Oklahoma.

Info: Anita Cheatum, sfdepot@sbcglobal.net.

TRAIN SHOWS & MEETS

Email: l-seibel@comcast.net

Mid-Continent Regional Convention / Turkey Creek Show

This year a Regional Convention will be held by the Turkey Creek Division. The convention will be held on August 4, 2007 at the Lenexa Community Center 13420 Oak, Lenexa, KS (Pflumm and Santa Fe Drive). The show will be 8:30 to 3:30 with Layout Tours beginning at 4pm and going to 9pm.

Registration will be advance \$4, and at the door \$6 (\$5 NMRA Member); children under 12 free.

There will be swap tables and refreshments starting at the opening of the show. An N-Scale layout will be on display by Heartland N-Track.

If interested in having a table or tables for the Swap meet. Contact Robert Jefferis: Jeffbob@everestkc.net.

There will be Contest Room where both NMRA Judging and Popular vote will take place. A contestant can enter one or both. There will be a Light Iron Narrow Gauge Award for the best Narrow Gauge entry and also a Special Youth Award for the best overall youth entry. Model entries (up to 5) in the contest will receive a ticket for each entry. A drawing will be held at the Awards part of the meet.

There will be lots of door prizes. Anyone who is pre-registered will be eligible to win at least 2 door prizes.

Clinics will be held at three different times starting at 9:15 to 10:00, 10:15 to 11:00 and 12:45 to 1:30; these times may change. There will be a list of clinics with presenter name, description of clinic, time and location at the show and prior to the show on the Turkey Creek Web Site. Volunteers are also needed (there is room for a total of 9 clinics) to host a clinic. Contact Louis Seibel at L-seibel@comcast.net.

Layouts On Tour for Meet

[Afternoon Layout Tour – \(4 to 7 PM\)](#)

[Gold Mining and Milling in the Colorado Rockies by Ron Morse MMR](#)

[The Kaw Valley Railroad by Mike Fyten](#)

[The Afton Sub-division of the Frisco by Robert Snare](#)
