January 2011 Newsletter Turkey Creek Division

With the start of every New Year individuals and organizations should reflect upon the past to select priorities to preserve the successes of the past and improve performance for the future. The outgoing and newly elected officers are meeting in mid-January to perform this review and set the priorities for 2011.

Here are a few of the priorities I will propose:

- Implementing methods to attract new members
- Converting “Guests” into active members
- Updating the “Mentor” Program

I am confident that the leadership group will come up with several additional priorities. From the list generated at that meeting, we will select the most important priorities and focus on those priorities to insure implementation in 2011. Your input is always welcome!

Over the past three years I have really treasured the new friendships developed by being a member of Turkey Creek. It is friendship and the sharing of skill sets that places great value on belonging to NMRA. Our blessing is the fact that Turkey Creek has so many MMRs who so freely share their talents.

On February 19th, don't overlook the Lawrence Model Railroad Club's 10th Annual Train Show in Building 21 at the Douglas County Fair Grounds. It is just off K10, north on Harper Street. The hours for the train show are 9 am until 5 pm.

On March 19th and 20th The Great Train Expo will be here in Kansas City at the American Royal Complex. Turkey Creek will have a display at this event.

I'm looking forward to seeing you at the next Turkey Creek meeting.

Lionel Smith
Enjoy the hobby,

Meeting Notes - January 13, 2011

A transition meeting was held at Louis Seibel's home Thursday, January 13, 2011. In attendance were:

Louis Seibel	Jack Boren
Lionel Smith	Bob Jefferis
Shelly Levy	Larry Diehl
Jack Rosenfield	Paul Myers MMR

Lionel went through an agenda he prepared:

Lionel wanted to address membership involvement. We discussed the use of subcommittees.

The follow-up before and after joining.
The "Trial Membership"
Fostering meeting attendance.
Inclusion - Subcommittees and Special Projects.
Survey of membership desires for activity planning.

We should develop better methods to introduce new members. Larry will introduce new members vs. having them state their name.

Louis wants to promote the hobby in the region. 2011 is the 50th Anniversary of the NMRA Achievement Program.

Lionel wants to assemble "packets" for potential new members to NMRA and place at hobby shops. Larry and Louis will put together what we have.

Clinics - Lionel wants to pursue clinics along the lines of skill sets of the members:

Beginner
Intermediate
Advanced

Clinic Categories:

Modeling
Prototype
Historical
Photographic

Note that the Mid Continent Region is looking for a "Membership Chairman". Should be able to work with and update the MCOR database.

HAVE 50 MODEL RAILROADING CLINICS RIGHT IN YOUR LIVING ROOM.

Just because you can't make it to a national convention doesn't mean you have to miss out. Right now the NMRA's Kalmbach Memorial Library has over 50 DVDs of clinics presented at national conventions from 2002 to 2010. Each is available for NMRA members to borrow for the cost of processing and postage.

So you can see clinics on everything from decoders to design, tools to techniques, helixes to highways, and research to resin casting.

All from the comfort of your very own couch.

Visit www.nmra.org and go to the Kalmbach Memorial Library page for a complete listing. Or call the Library at 423-894-8144.

We make it even more fun.

The Kansas City Garden Railway Society

is proud to be a part of the 27th annual National Garden Railroad Convention.

Kansas City is rich in railroad heritage from its very beginning; and it is fitting that we host our first ever convention in the region.

Our convention will be held in Overland Park, KS,
a suburb 20 miles southwest of downtown Kansas City.

The convention site is the spacious

Overland Park International Trade Center at 115th and Metcalf.

We will have one of the biggest exhibition halls at any NGRC With over 70,000 sq. ft. available for vendor, manufacturers and special events.

We invite you to come and join the fun at the 27th annual

National Garden Railroad Convention on
June 21st-27th 2011 in the heart of America.
