Challenge
is Here!
7:00 PM**

October 2021

MONTHLY PUBLICATION OF THE TURKEY CREEK DIVISION
OF THE MID-CONTINENT REGION, NMRA
"For all gauges and all ages"

TUESDAY, October 26, 2021

Turkey Creek Division is planning a in-person meeting at the Merriam Community Center, Tuesday, October 26, 2021, 7:00 pm.

THE MODELING CHALLENGE

... Modeling Challenge is Here

... Models do not have to be complete!
... Max 12" X 12" (any scale)

**... Every entry/each modeler gets a
chance to win a \$25 gift certificate
(one entry per person)**

Covid should not be an issue unless the world shuts down!

Ron Marsh,
Superintendent

Location:

Merriam Community Center
6040 Slater Street
Merriam, Kansas 66202

September 28th Clerk's Report

Our Superintendent Ron Marsh couldn't make it so Ray Brown filled in for him. Don't forget the sq footer, you still have more than enough time with 4 weeks left to get it started and finished. We are giving out 2 \$25 gift certificates for the best 2.

We had about 15 people tonight at our new location at the Merriam community center and had a very nice room.

Ken Jenkins put on a great clinic on Grain Elevators and how they work. If I remember right he said he had about 17 on his layout mostly scratch built or kit bashed.

Chicken Man did a great job finding a location at the Merriam Community Center for us to meet for the next 3 months. Maybe as he is flying over the city he will spot another good location for us to meet. Don't forget we will have Turkey Creek show next August so reach out to Ron and put your name in the ring to help out. It will be at the Lenexa Community Center at Phlumm and Santa Fe in old town Lenexa where we used to have it. Tables may fill up fast so get yours early if you plan to find a new home for stuff you know you will never put together.

That's all for now, Steve.

Ray Brown substituting for Superintendent.

THE RULES

2021 Challenge

by Rusty Rails

The October TCD meeting date is drawing closer and we have several new additions to the list of those who have committed to participate in this years' Modeling Challenge. Thank you to all who have indicated that you will participate! Even with these new additions, I will take this opportunity to push all others to complete, work on, or begin a model entry for the 2021 Modeling Challenge. The Challenge is one of the highlights of the Turkey Creek Division's annual calendar. It provides an opportunity for all member to participate with others. As an additional incentive to bring an entry, we will have a drawing for two \$25 gift certificates. Everyone bringing an entry will be eligible for the drawing.

The Challenge will be held in essentially the same manner as in previous years. The most significant change from past years is the limitation of the entry size to one-foot square. Please don't let this be a disincentive to your decision to enter a model. It's fun! **Limit one (1) model per person eligible for awards.** Additional models will be considered for "display only".

The Awards

- First Place overall
- Second Place overall
- Third Place overall
- Most Whimsical (Red Bull Award)
- Best Special Effects (sound, lighting, animation)
- Best use of a Make-and-Take model

THE MODELING CHALLENGE GOBBLER

TURKEY CREEK ANNUAL TRAIN SHOW & MEET

Will Be Back!

!! AUGUST 6, 2022 !!

We are returning to
Lenexa Community Center
13420 Oak Street, Lenexa, KS
(about Pflumm & 93rd St)

*Please consider volunteering to help.
If we act as a team, cut the tasks into little pieces,
No one has to work too hard ...*

The papers are signed ...

The deposit has been made ...

The place is ours!!!

!! MARK YOUR CALENDAR!!

Now talk is over...

We have to JUST DO IT!

!!! More to Come !!!
