Turkey Creek Division Meeting
February 25 2020 at 7PM

Presenter: Mark Juett

Clinic Title: Photographs of Union
Pacific 4014 Steam Locomotive on
its tour of 2019.

Superintendent Report:

Fellow Model Railroaders. The Lawrence Model Railroad Train Show is over, and The Turkey Creek Train Show set for April has been canceled. As of right now, I don't know whether Turkey Creek is canceled completely for this year or just postponed. Because I was working on the Lawrence Show, I'm running a bit behind in completing this column. Thus, I plan to keep it short.

The January meeting was a clinic by Patrick Lenahan on flat and low pitch rooftops. He presented a great clinic with lots of information. I'd love to have copies of some of his photographs in order to improve the details of the roofs on my models. For the division, I want to thank Patrick for his wonderful presentation.

The February meeting features a clinic on Union Pacific steam locomotive 4014. Mark Juett has been following the travels of the locomotive during its 2019 tour.

Since the Train Show has been canceled for April, we will have our regular meeting in March. I'm looking for someone to present a clinic. Please let me know, if you can present in March.

The Make and Take clinic is the April meeting. I have just under 10 orders thus far. I will hold ordering open through the February meeting, but I need to provide final numbers to Wild West Modelers soon after. I've included some information about the clinic later in the Lightning Slinger. It is a cute model and would be a nice addition to any layout.

At the January meeting, Andy Fox talked briefly about a live steam (outdoor) model railroad that his father-in-law has. Some of the Turkey Creek members at the meeting had knowledge of this railroad. His father-in-law has passed away, and Andy's family is trying to sell off the model railroad either in place, which involves buying the land and railroad, or moving it, which involves buying the track and remaining features. If I remember correctly, all that's left is track and structures. If you are interested in more details, contact Andy at (913) 620-0988.

Clinics: I need clinics for March, June, and August through November. The model challenge has been moved until July. Please consider presenting or recommending someone for a clinic in 2020. Also, the Lightning Slinger can use articles or pictures. Please consider contributing.

Make and Take Clinic

April 28th Turkey Creek Division Meeting

Some changes are going to occur in this year's Make and Take clinic. First, the clinic has been moved to the April Meeting. Second, the superintendent has chosen one model that is available in N-, HO-, S-, and O-scales. Third, the member cost is going up to \$25.00 per kit. The second and third changes are to hold the division costs down. I will begin to take orders at the January division meeting.

Model: Kokomo House by Wild West Model Builders

Cost: \$25.00 per kit regardless of scale.

Order models from: Gregory Ohlmacher, Superintendent, at the division meeting or by emailing gcohlmac@sunflower.com.
