

Division Contest Room Eligibility & Entry

Judged Scale Model & Photo Contest

- A. Anyone who attends may bring models or photos for display in the Contest Room and is eligible to compete in the Popular Vote Awards. Only NMRA members are eligible to enter the Judged AP Program. All entries should be owned and built by the person submitting the entry. Any model may be submitted for Display Only (no voting/awards).
- B. Entrants are NOT eligible for any contests if they are engaged in the business of the contest entered (i.e. Commercial Model Builder is not eligible for the model contest, Professional Photographer is not eligible for the photo contest). Commercially built models and commercial photos are not eligible to be entered. The judges will consider only models or portions thereof, which are the products of the owner/builder.
- C. There is a limit of 5 entries in each category in the Judged Model Contest.
- D. All entries to the Judged Model Contest must be "scaled models".
- E. Popular Vote Entries that have won first place in any prior Division Contest cannot be re-entered.
- F. Anyone submitting an entry in the Contest Room **INCLUDING DISPLAY ONLY** must submit the [Contest Entry Form #901](#), including name and address, scale, category(s) entered and model identification. NMRA Member number only needed for Judged models.
- G. Anyone entering the Judged Scale Model Contest must also submit a [Judge's Score Sheet Form #902](#). Supplemental information to verify or provide additional description of how the item was built and prototype documentation may also be submitted. However, all supplemental information should be very short, concisely written and presented in order, by factor. The judges will review short, supplemental descriptions, but are under no obligation to review long dissertations.
- H. A claim check will be handed to the modeler (or proxy) upon entry and must be presented to retrieve entries after the Contest.
